Process & Procedures If the parcel is located within the zoned area the process that you must take may vary some depending on what type of use you would like to attempt on the parcel. Lamar County Planning Department has designed application forms & worksheets to aid in the process of applying for any particular use. Planning Commission

The Planning Commission for Lamar County consists of a five (5) member board and one (1) alternate of County citizens which were appointed by the Board of Supervisors which meet on the second Tuesday of every month at 2:00pm in the Lamar County Chancery Court House Board of Supervisors Chambers. The Commission will be hearing petitions of all matters related to the land use within the zoned area of the County. This will consist of rezoning, variances, conditional use permits, violation enforcement, and other various petitions. The determination of the Commission will then go to the Board of Supervisors for consideration and final decision. The Commission's web-page is linked below. The Commission's web-page has the deadlines for submittal's, the hearing dates, and the agendas as they become available for public viewing prior to a meeting.
